We want to thank all the residents who now make recycling an important part of their life. Recycling makes an enormous difference for all of us now and in the future.

Your recyclables will be collected every other Wednesday. Please place your containers out no earlier than 4 p.m. Tuesday or by 7 a.m. Wednesday morning, being certain to not block your mailbox for your mail carrier. Please note, trash service is picked up first, then recyclables are picked up later that day. Please have your trash bins sitting a few feet away from your recycle bins for the collection crew. If you are furnishing your own recycle bins please be sure to put your address on them.

Contact the Mount Jackson Town Office if you have any problems or questions. 477-2121
