Mt. Jackson WWTP EQ Project

General Notice

The Town of Mt. Jackson (Owner) is requesting Bids for the construction of the following Project:

Mt. Jackson WWTP EQ Project

Bids for the construction of the Project will be received at Town Hall, 5901 Main Street, Mount Jackson, VA 22842, until **December 16th 2022** at 2:00 PM local time. At that time the Bids received will be **publicly** opened and read.

The Project includes the following Work:

The project entails construction of a new influent in-line precast post tensioned concrete equalization tank with floating mixer system. A new packaged screening and grit system will precede the new equalization system. The equalization tank will operate as a fermentation basin but will have blowers and aeration equipment installed for back up purposes.

Bids are requested for the following Contract: **Mt. Jackson WWTP EQ Project**

The Project has an expected duration of **500** days.

Obtaining the Bidding Documents

Information and Bidding Documents for the Project can be found at the following designated website:

<https://www.mountjackson.com>

Bidding Documents may be downloaded from the designated website. Prospective Bidders are urged to register with the designated website as a plan holder, even if Bidding Documents are obtained from a plan room or source other than the designated website in either electronic or paper format. The designated website will be updated periodically with addenda, lists of registered plan holders, reports, and other information relevant to submitting a Bid for the Project. All official notifications, addenda, and other Bidding Documents will be offered only through the designated website. Neither Owner nor Engineer will be responsible for Bidding Documents, including addenda, if any, obtained from sources other than the designated website.

Pre-bid Conference

A non-mandatory pre-bid conference for the Project will be held on **November 16, 2022** at **1:00** at the Mt. Jackson WWTP located at 556 Red Banks Road, Mt. Jackson, Virginia 22842.

Instructions to Bidders.

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.

American Iron and Steel

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and Construction Materials.

The following waivers apply to this Contract:

De Minimis,

Minor Components,

Pig iron and direct reduced iron, and
